Sir:

Further to Applicants' Duty of Disclosure pursuant to 37 C.F.R. §1.56, Applicants wish to bring to the Examiner's attention the material cited on the enclosed PTO-1449 form.

Pursuant to 37 C.F.R. §1.98(a)(2)(ii), copies of the cited U.S. publications and/or patent documents have not been included. Copies of the cited documents are enclosed.

References AD-AF are listed in the German Examination Report from the original German priority application, copies enclosed. References AA-AC are the U.S.

equivalents of the remaining references listed in the German Examination Report from the original German priority application.

References AE and AF are submitted herewith in the German language with English abstracts. The abstract for reference AF is taken from the European patent equivalent. The relevancy of these references is set forth by the Abstracts and both were generally noted as showing the state of the art of battery connectors that provide a fast and sure connection.

It is respectfully requested that the Examiner consider these documents and return an initialed copy of the PTO-1449 form indicating his consideration of the cited materials.

Respectfully submitted,

Nölle et al.
